Local High School Students Receive Scholarship

(Sedgwick County, Kansas) –Three local high school students were awarded Senior Scholarships by Sedgwick County Commissioner Tim Norton on June 12, 2002.

Recipients of the scholarships were: Luke Grover, Wichita South High School; Megan Lewis, Campus High School; and Rachel Jacobs, Wichita West High School.

“This year’s scholarship winners are a great group,” said Commissioner Norton. “Among them, they are majoring in Pre-med, Law and Accounting and attending Wichita State and Kansas Universities. I am just glad that I can help them out with their studies.”

Commissioner Norton has continued his tradition of providing scholarships to local students as he presented 14 students with scholarships during his service as Haysville Mayor. Commissioner Norton work with area principals in his district to help identify deserving students with plans for continuing education.
